

THE MIDLAND SEALYHAM TERRIER CLUB
CHAMPIONSHIP SHOW 27th OCTOBER 2019

I would like to thank the Club for giving me the honour to Judge at this years Championship show, a very friendly Club plenty of welcome for Dennis and myself, and thank you so much for the lovely gift given to me after Judging,

I was very pleased with my entry. As always there were absentees, but some nice classes for this breed. Best in show was a 10 month high quality puppy dog: a star in the making and one that give me goose pimples.

The Stephen Woodcock memorial stakes

1st KENAITEEN WAITING WITH HOPE FOR NANKIN

14 month old nice headed bitch, good front and bone, in good coat, moved very positive with drive. Very happy young dog.

2nd KENAITEEN CASCADE half sister to 1, so similar in make and shape but not the positive movement as 1 but two lovely bitches and I hope you enjoy showing them.

3rd FIRSTWISH BLOSSOM HILL

PUPPY DOG

1st ZIPPOR SLEEPY SAPPHIRESON AT LETARA

When I turned to look at this dog WOW came into my head; what a stunning puppy of 10 months, tan marked ear, lovely head for his age, dark eyes, correct strong bite with good underjaw, lovely bone, good shoulders leading into a nice neck, and that leading into a correct topline, harsh jacket: the movement on him was superb; if they are made right they move right, No hesitation in giving him his first CC, best in show and best puppy in show. I'm sure he will go all the way. Very honoured to judge such a smart puppy.

POST GRAD DOG

1st DUDWELL HICKORY HIGGINS AT GREVENIA (imp)

Standard dog, nice head, well set eyes, nice ears, level topline with good harsh coat, moved with drive, spoiled appearance by his nails too long but a nice dog.

2nd OVERBORE SEMIS IN RUSSIA

Bigger all over than one, similar head type, correct in mouth very good bone, strong backend, moved ok.

Limit Dog

1st ORNELLA LOVER BOY

Nice head good width between the ears, strong underjaw, good length of neck, good bone with nice round feet, strong powerful movement, very smart dog.

2nd NILEDIA OUR MUTUAL FRIEND

Not a lot between these two dogs, lovely bone and feet, strong in neck, good shoulders and topline, strong hindquarters that he used when moving around the ring.

3rd JACOTT DANCERS WELSH WIZARD ShCM

OPEN DOG

1st CHAMPION ORNELLA COUNTRY LIVING ShCM ShCEX

Tan on head, loved his strong head, straight front, good in shoulders, nice neck, good topline, well sprung ribs, powerful hindquarters that he used when moving. This won him first place as he had a little more drive than 2, pleased to award the him RCC.

2nd NOMIS NAUGHTY BOY told afterwards this boy is on two CCs. I do hope he get his third as he his a very nice dog very similar to 1. Another with a nice strong head; very similar remarks as 1 but I just had to place them on the stronger drive of one today, but two very nice dogs.

VETRAN

All three in this class were bitches.

1st CHAMPION JACOTT JOY BELLS

9 years young, and did not act her age. I still remember her as a young lady and nothing has changed, just the age. Still commands the ring with her presence, loved her then, love her now. BEST VETRAN IN SHOW.

2nd CIBACH CHEEKY CHOPS AT FIRSTWISH

Another nice oldie, much to like about her, just losing her topline, and a little longer in back but deserved second place

3rd CHAMPION ZIPPOR A TALE OF TWO SISTERS AT NILEDA

BITCHES

MINOR PUPPY

1st OPHELIA OF DENMARK

9 month old topsize bitch; I hope she wont grow on much more, strong in head, correct bite, nice length of neck; she just needs to drop into herself, moved ok. Hope you have some fun with her,

2nd DAVMAR DANCING IN THE DARK

What a very smart puppy, nice head, dark eyes, lovely body. I thought she was my winner but did not like the hall. She moved ok but would not lift her tail and that spoilt her chances, but I predict a very bright future.

PUPPY BITCH

1st ZIPPOR GRUMPY JONES

What a cracking young lady (not the handler the dog). She oozes quality for her ten months. I was told afterwards she is litter sister to my dog puppy. Wow what a litter, such a lovely head but remaining feminine, darkest of eyes, correct bite, good bone, lovely feet, jacket in A1 condition, lovely topline, correct in rib. Moved so positive. No hesitation in giving her the RCC.

2nd WHOOPERHILL FIELD OF DREAMS

Bigger all over than 1, just needs time to come on; she has the makings of a nice bitch, give her time and enjoy her.

JUNIOR BITCH

1st NOMIS NEW EDITION

15 month old, what a little cracker, loved everything about her; very alert, correct in skull, strong jaw, lovely dark eyes, neat ears, strong jaw, correct bite, muscular in neck leading into very good shoulders, good bone and feet, powerful backend, correct in stifles, moved both ways with ease and power. Bitch CC and reserve best in show. Told this is her second CC; third can't be far off.

2nd JACOTT SUNSHINE

Another of quality, loved this bitch: screams Sealyham. So similar in make and shape, lovely type head, wicked eye, full of mischief, but she would not settle on the move. She was like an express train but another that should go far,

3rd KENAITEEN WAITING WITH HOPE FOR NANKIN

MAIDEN BITCH

1st DAVMAR DANCING IN THE DARK

Second in minor puppy.

NOVICE BITCH

1st BULLBRITT SHADY LADY OF NUNNELEY

Standard type bitch, not so much bone as other bitches but ok, correct head, ears, mouth, enough body, moved ok.

2nd KENAITEEN CASCADW

LIMIT BITCH

1st CIABACH CARYS AT FIRSTWISH

Very smart bitch, head of good type, medium size ears, strong short forelegs and straight, with good bone, neat feet, good depth of chest, lovely topline with good rib, moved very well. i liked her a lot.

2nd BLOMENDAL COOKIES N CREAM

Another type bitch , nice expression, good bone, a lot to like, just a wee bit longer in back than 1, put down in good coat and condition,

3rd ZIPPOR MISS FAIRY FOOTSTEPS

OPEN BITCH

1ST CHAMPION NILED A GREAT EXPECTATIONS ShCM

What a great class, first three were champions, quality feminine bitch, good strength but remaining feminine, good length of neck, good shoulders with correct front, firm in topline, good rib, strong powerful hindquarters that she used when she moved; very smart bitch.

2nd CHAMPION ZIPPOR SAPPHIRE JONES

Blue markings on head , bigger type than 1 but another with quality. Loved her head, very strong bitch, with a lot of power, lovely bone, head and ears, and she moves with ease; I liked her a lot.

3rd CHAMPION JACOTT JUBILEE QUEEN SHCM

A trio of lovely champions; thank you for bringing them under me.

BRACE

1st TREZISE- DUNDAS

JUNIOR HANDLING

1st 11 year old Eneja Smith

A very confident young lady handling her charge with ease; very well handled on the floor and table, watching the dog at all times. We need youngsters to come into all breeds to keep them going. Well done.

2nd Ella Tobijanski ,this 6 year old made me smile, so small but so confident and at one with her dog. You keep going Ella; you did a brilliant job.
